Principal's Report

ANZAC Day

On Thursday 25th April an ANZAC commemorative ceremony was held at the Warragul Cenotaph. Our school was represented by our School Captains, Angus Parker and Emily Rhodes, who laid a wreath on behalf of our school. The school choir, the Choristers, conducted by Mrs Sue Legg, our Performing Arts Teacher, led the singing of the hymns during the ANZAC Day service.

The Municipal Band led the ANZAC Day parade with stirring sights and sounds. The band also played the hymns and national anthem. The presence of the band certainly added atmosphere to the ANZAC Day service. Our community can be very proud of how we showed great respect for the sacrifice of others and it was great to see so many of our Warragul North Primary School families attending the commemorative service.

Year Six Students Canberra Tour

Early on Monday morning eighty-two very excited Year Six students arrived at school ready for their five day trip to Canberra. The children had loaded their belongings into the two buses, had their names checked off and they were on their way by 7.20am. Thank you to the WNPS staff and parent volunteers who make the tour possible by giving so generously of their time.

We wish them well for the week as they enjoy all the sights and educational experiences our nation's capital has to offer. Look out for a full report in our next newsletter.

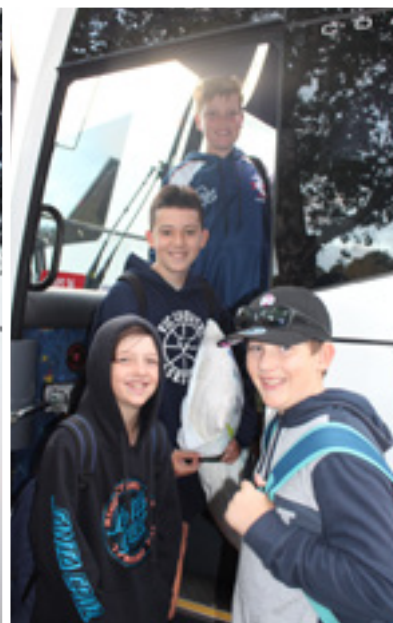

Don't forget to download the FlexiBuzz app if you don't already have it as we will be sending a message out on Friday afternoon with an update on the ETA of the buses from Canberra.

Professional Learning for Staff – Mathematics

Staff spent Friday 26th April learning with Professor Di Siemon, a highly regarded Mathematics consultant. As Mathematics is a main focus at Warragul North Primary School for 2019 staff will be able to use the knowledge learnt from Professor Di Siemon to improve our Mathematics teaching and learning.

I commend staff on the obvious engagement and interest they displayed during the day. I am positive this powerful professional learning will have a beneficial effect on the teaching of Mathematics and student achievement throughout the year.

Nurturing
What is it?

To nurture someone means to care for them and protect them. Just as a parent nurtures a baby or a gardener tends the growing seeds and plants.

The value of nurturing means that you look after each other, that you attend to the needs of another and that you support and tend to others.

In a 'nutshell' Nurturing means looking after each other and caring for each other in a safe manner.

NURTURING – *Foundation – Matilda (0MU)*

GETTING ALONG – *Year One – Taylah (1SP)*

LITERACY – *Year Two – Sapphire (2RA)*

School Values medals were awarded at assembly on Friday 3rd May to Matilda, Taylah and Sapphire. Congratulations!

Easter Raffle

Many thanks to all the families who kindly donated items for the Parent Club Easter raffle, and the parents who helped prepare the raffle prizes. The raffle was a huge success with the amount of \$1,872.00 raised for our school and several happy winners in each grade.

Cybersafety

On Monday 29th April students in Years Three to Six attended age appropriate, fun and interactive CyberSafety sessions at school, conducted by Australia's foremost CyberSafety expert, Susan McLean. The sessions were provided at no cost to students and were generously funded by a grant we received from Telstra Kids.

Huge thanks to Matthew Merriel (one of our wonderful teacher's sons) from Telstra for applying for the funding for us. We are very excited to share in the million dollars the Telstra Foundation provides each year to help kids connect to a digital future.

A parent information session 'Growing up Online' was held in the evening and attended by over 150 parents and staff from Warragul North Primary School. The theme of the session was 'be the parent' – be informed, be aware and keep your kids safe online.

The latest Scholastic Book Club catalogue was sent home early last week. There are some great books available. Orders may be placed online using the LOOP system and payment with a credit card. Any other orders may be returned to the school. The closing date for all orders is Monday 14th May.

Book Club LOOP

LOOP is the Scholastic Book Club

wushka

Learning to Read

Wushka is an online levelled school reading program which helps students develop reading skills and includes an extensive selection of fiction and non-fiction levelled school readers. Every levelled reader has an online comprehension quiz and printable teacher support material. It is very pleasing that of the 620 students currently enrolled at Warragul North Primary School, 458 have had Wushka paid for them.

Once payment of \$20 has been made a personal password is issued allowing access 24 hours, seven days a week. This is a great program for students to have, especially with the holidays upon us as they can use it at home.

Dear Parents,

We are now using Wushka's cloud-based levelled reading program at school and would love you to continue reading with your child at home. The program encourages students to engage with fiction and non-fiction texts on interactive devices. All School Readers are levelled from Level 1 through to Level 31+ and have been developed using decades of educational publishing experience.

Recognising that the best outcomes are achieved when students continue reading at home, the Wushka School Readers are now available after school hours. The program is individually tailored by your child's classroom teacher and allows readers to be set for homework.

You will need your child's login details, which will have been given out in class. Please visit wushka.com.au to login to the program.

If you have any questions please speak to your child's classroom teacher or email the Wushka Team at support@wushka.com.au.

Happy reading!

Term Two *Topics*

Foundation – *Marvellous Toys*

- Differences and similarities between students' daily lives and perspectives of life during their parents' and grandparents' childhoods.
- Objects are made of materials that have observable properties.
- The way objects move depends on a variety of factors including their size and shape; a push or a pull affects how an object moves or changes shape.

Year One – *Under the Sea*

- Sea animals have a variety of external features and live in different places where their basic needs, including food, water and shelter, are met.

Year Two – *Animal Adaptions*

District Athletics

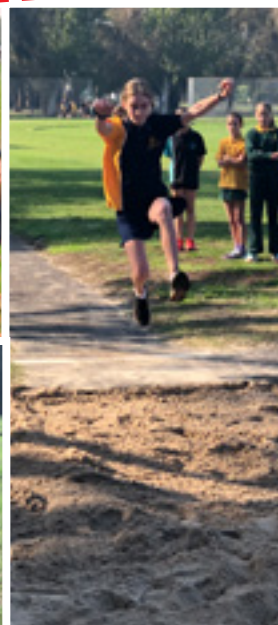

The sun was shining and the weather was perfect for the District Athletics, which were held on Tuesday 30th April at the Geoff Watt Track in Warragul. Seventy students from Warragul North competed and through great skill, effort and athleticism we were able to win many ribbons throughout the day in a wide range of events from triple jump to discus. Good luck to the 27 students who qualified for the Division Athletics to be held at the Joe Carmody Track in Newborough on Wednesday 8th May.

Hello from the *Acorn Room*

Parenting is one of the most rewarding, challenging, and amazing things you'll ever do. But sometimes, it doesn't feel like much fun. The children might be fighting, ignoring you, not doing what they're asked, and being emotionally demanding or even distant. Although the love is still there, parenting when the wheels have fallen off, does not feel good.

It's common for families to go through periods when things seem to flow, and periods when they don't. Perhaps you can think back to a time when you put into place some helpful structures and routines for the family. It may have gone smoothly initially, but then the motivation to keep up with the new routines or to be consistent with following through faded. Maybe a bit of fatigue and discouragement has settled in. This is normal.

It's ok to take a breather. Look around at your family – What seems to be going on? What's changed? What have you stopped doing? What changes might be helpful here? It's ok to stop, reflect, and decide it's time to do a reset. Talk about the changes and why they need to take place. And be sure to keep demonstrating warmth in your love.

Mrs Sheryn Cutler
WNPS Chaplain

Warragul North Primary School offers chaplaincy and pastoral care to students and families in the Acorn Room on Tuesdays and Thursdays.

BPAY

Warragul North Primary School is now offering BPAY as an option for paying any school costs such as student supplies, camps, excursions and Outside School Hours Care. Each family has an individual BPAY reference number which can be found on the bottom of a current family statement. Please contact the school office if you do not have a current statement and would like to find out your BPAY information.

NATIONAL ASSESSMENT PROGRAM LITERACY AND NUMERACY (NAPLAN)

**Will my
child sit
NAPLAN
on paper
or online?**

In 2019, your child will sit the NAPLAN online tests. However, children in some other schools across Australia will sit the NAPLAN paper tests this year. Federal, state and territory education ministers have agreed that all schools will move online by 2020.

As students are assessed on the same literacy and numeracy curriculum content, regardless of whether they complete the test online or on paper, results for both formats can be reported on the same NAPLAN assessment scale. To find out more about NAPLAN Online visit nap.edu.au

Next week students in Years Three and Five across Australia will sit national tests in Literacy and Numeracy. A brochure regarding NAPLAN Online has been sent home. If parents have any further questions please contact the school.

PARKING | TRAFFIC FLOW DISABLED PARKING

Please be aware that the 'reserved' parking permit area near the administration building is for staff use only and permits must be displayed on the windscreen.

If everyone adheres to the agreed parking areas and direction of traffic flow it creates a safer environment for children during drop off and pick up times.

Just a friendly reminder that the disabled parking space provided outside the administration building is for people with a disabled parking permit only. It is also requested that you be mindful of other people who use this space and not double park across it. Please do not park across this specially designated car space. Thank you.

To assist families to clearly understand the various parking signs displayed around our school, in our newsletters we will include detailed information from the VicRoads website.

Disabled Parking Signs

You are not allowed to park in parking bays that have a disabled parking sign or road marking unless you have a valid disabled parking permit.

NEW BUILDING UPDATE

On Thursday 2nd May, Ms Collins, Ms Taylor and Mr Konstanty had a walk-through of the new buildings. They were very excited to see inside the buildings and their feedback was very positive. The rooms are spacious and there are lovely fixtures and fittings throughout. Another walk-through will take place this week and the predicted timeline is that the school will take possession of the buildings prior to the end of this term.

FLEXIBUZZ APP UPDATE

FlexiBuzz is an app that Warragul North Primary School uses to send out reminders

about excursions, incursions and camps. We also use the app to let families know about other activities happening at school such as parent/teacher/student interviews, Mother's Day stall, Parent Club meetings, etc. FlexiBuzz is used to let families know that the children have arrived safely at camp and also advises updated arrival times when camps or excursions are due back at school.

If you haven't started using FlexiBuzz yet the instructions are included on how to get started.

FLEXIBUZZ APP

Dear Parents,

Warragul North Primary School uses the FlexiBuzz app to send out reminders about excursions, incursions and camps. We also use the app to let families know about other activities happening at school such as parent/teacher interviews, Mother's Day stall, Parent Club meetings, etc. FlexiBuzz is used to let families know that the children have arrived safely at camp and also advises updated arrival times when camps or excursions are due back at school.

Simply search in your app store for **FlexiBuzz**.

Once you have downloaded FlexiBuzz, open the app and register.

This year we are once again participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school – and all we need you to do is shop for your groceries at Woolworths.

From Wednesday 1st May to Tuesday 25th June or while stock lasts, we are collecting Woolworths Earn & Learn Stickers. You will receive one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn sticker sheet and when it's complete, the sticker sheet can be dropped into the collection box here at the school or at your local Woolworths.

At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers many items ideal for our students – including fantastic resources for Mathematics, English, Science, Visual Arts, Physical Education and for our library. If you'd like to know more visit woolworths.com.au/earnandlearn

EVERY DAY COUNTS

At Warragul North Primary School we strongly encourage punctuality and attendance. At 8.50am the 'bag bell' sounds and children hang their bags up and enter their classrooms ready for a 9.00am start. We also know the importance of regular attendance and follow the 'It's not ok to be away or late' process.

Each term certificates are awarded to children who achieved 100% attendance for the previous term. It was fantastic to be able to give out 222 certificates for 100% attendance for Term One. Well done to all those children who received a 100% certificate for Term One. Let's hope we can award just as many certificates for Term Two's attendance!

School Council Report

Hi my name is Terri Wilks and this is the third year I have been on School Council. I am a local veterinarian and business owner and proud mother of three, one daughter who has been through Warragul North Primary School and successfully transferred into Year Seven this year, a Year Four student and

a four year old who will attend Warragul North Primary School in 2021.

I am the grants convenor and have been involved in many successful and unfortunately unsuccessful grants. The highlight of my grants career at the school is of course the Marble Alley Pick my Project grant

which has been of immense benefit for the school already and come up brilliantly.

I feel Warragul North Primary School does its very best by the students and provides many and varied opportunities covering many interests. There are many ways you can give back to the school via working bees, Parent Club, canteen, camps, excursions, attending sporting events, stalls, fetes and volunteering in the classroom. Even via supporting your children in all their activities at the school is not only positive for your child but the school community as a whole.

If you see me around introduce yourself, it is always great to meet the Warragul North Primary School family.

School Councillor

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about the CSEF visit
www.education.vic.gov.au/csef

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools in 2019 or you did not apply in 2018.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019.

Check with the school office if you are unsure.

OUTSIDE SCHOOL HOURS CARE

As always the Outside School Hours Care House has been a hive of activity. The children have been enjoying 'Animal Enchantment' colouring sheets during the cooler evenings. With Mother's Day fast approaching the children have been making lovely Mother's Day cards and posters.

OSHC is available on a permanent or casual basis. Some sessions are fully booked and a waiting list is held for those sessions. Please remember that the Office or OSHC must be notified if your child is not going to attend a session they have been booked in for. That place can then be used for a casual booking. **Once you have a permanent booking you will be billed for that placement whether your child attends or not.**

Phone numbers for bookings and cancellations are:

Why is it important to encourage healthier eating patterns in children?

- Research shows that eating an unhealthy diet can increase risks of mental health conditions such as depression and anxiety
- Healthy eating affects the immune system which also affects mental health
- High fat and sugar diets affect proteins which are important for brain development
- Low iron has been linked to problems with learning and memory

The good news is that it is never too late to encourage healthier eating patterns for your family.
