Year Six Graduation continued

Warragul North Primary School gratefully acknowledges the generous donation provided by Warragul Regional College. Their scholarship is presented to a student who will be attending the college in 2023. Each year that this student remains enrolled and attends Warragul Regional College the student will receive \$500 annually towards school costs.

Two educational scholarships of \$250 each were sponsored by the Monarch Institute and a further education scholarship, also of \$250, was sponsored by L & F Eyecare. Mrs Pam Vickerman kindly donated two sportsmanship awards again this year. We are very appreciative of these generous donations.

A huge thank you to Mrs Jeanette Thomas and the Year Six team for their hard work in planning and organising the assembly and awards.

The weather was perfect for a fun evening where the students and their families had the opportunity for photos in the gym. Once the parents left at 5.00pm it was great to see our Year Six students dancing on the oval to the music provided by DJ Nige. A relaxed dinner of pizza and fresh fruit was very welcome.

It was a privilege to be a part of this exciting day and a great joy to see our Year Six students celebrating with their families. The morning assembly and evening event were a truly special way for our students to say farewell to Warragul North Primary School.

To the students and their families thank you for being a part of our Warragul North Primary School community. We all wish our Year Six students every success in the future.

'Big Day Out Excursion'

The Big Day Out to beautiful Forest Edge on Friday 16th December was the conclusion of primary school for our Year Six students. They spent the day enjoying archery, the giant water slide, the flying fox, nine square in the air and trampolining. What a fantastic way to complete their years of schooling at Warragul North Primary School.

Staff Farewells

As another year draws to a close it brings us to our staff farewells. Sadly there are several staff leaving Warragul North Primary School at the end of this year. Some of the outgoing staff have only been with us for a short time, but several have been part of the Warragul North staff for many, many years.

We thank our leaving staff for their contribution to our school and for their hard work and dedication. We wish them well for the future, whether it is in a new teaching position at another school, a leave of absence, or an overseas adventure. We certainly will miss you all!

LOTE 2023

In accordance with the Victorian Government Schools Agreement (2022), from 2023, all primary teaching staff will increase their non face to face teaching time. In support of this, Warragul North Primary School is excited to announce that students will undertake an extra hour of specialist learning next year in the form of LOTE (Languages other than English). After a lengthy consultation process involving students, staff and families, school council have recently approved the change in our taught language from Indonesian to Japanese. As many local high schools our Warragul North students go on to attend currently teach Japanese, we aim to strengthen the continuity of learning and increase student success towards fluency.

Domo arigato gozaimasu!

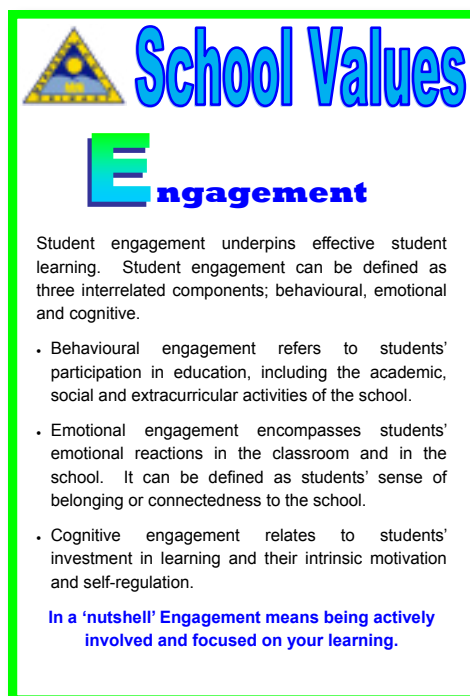

Thank You and Season's Greetings

The Warragul North Primary School community is most fortunate to have the services of a committed and highly professional staff. On your behalf I sincerely thank them for their outstanding efforts throughout 2022. Finally, thank you for the wonderful parental and community support we have received during the year. We are most grateful. I wish all families a safe and happy festive season.

Junior School Council Christmas Food Drive

During December the students brought donations to school for the Junior School Council Christmas Food Drive. On Wednesday 14th December the school certainly looked very Christmassy when staff and students dressed up in their Christmas clothes.

It was fantastic to receive so many donations and the Baw Baw Combined Churches Food Relief staff were amazed at the generosity shown by the families from Warragul North Primary School. Their van was so full of the donations it was bursting at the seams. Thank you to everyone who donated to our Christmas food drive and to Mrs Glaister and the WNPS Junior School Councillors for organising such a worthwhile activity.

300+ Days Home Reading Awards

Certificates and medals were presented to the very dedicated 185 readers who had achieved 300+ days of home reading in 2022. It is thrilling that such a large number of children achieved the 300+ reading award for 2022. Thank you to the families that supported our readers and well done to all our super readers!

Hello from the *Acorn Room*

As 2022 comes to a close and I reflect on the past year, on the surface things have appeared 'normal', but in light of the previous two years I don't think anyone has felt 'normal' this year. Our brains have been in 'survival mode' throughout this pandemic, prioritising staying alive, and struggling to access the qualities that we need to maintain healthy relationships. This dysregulated state of stress has left

many people feeling grumpier, moodier, rattier, more defensive, and basically, just harder-to-hang-around. The past few years have been tough for many reasons.

Some of my most difficult moments this year, were when my sense of hope was shaken. We need to believe there is the possibility that things can get better to feel ok. I am often impressed with people's ability to go on, even in the face of great adversity. I have seen this quality over and over again this year, in the children, staff and parents I've worked with. You are amazing.

I love the hope that this time of year offers. The closing of one year and the opening of a new year brings with it a sense of a fresh start, an opportunity to try again and the chance to change. Christmas itself is all about hope. Sometimes it takes a bit to peel back the layers of commercialism and the busyness to see it, but hope is integral to much of what we do. We buy gifts we hope will spark joy in others, we have hopeful anticipation about what we might receive, we look forward to seeing loved ones, we prepare great feasts in anticipation of enjoying delicious food, and we hear richness in the story of the first Christmas when a baby was born amidst miraculous circumstances, to bring hope to the world.

It has been a pleasure to once again walk alongside you through the joys and trials of another year. Wishing you and your family a Christmas and New Year full of extravagant hope.

HEADLICE

A timely reminder to all families. Please use the forthcoming school holidays to check your child's hair for head lice. It is a good opportunity to get on top of this pesky problem. Thank you!

Treating and controlling headlice

health

While children are at school many families will have contact with head lice. The information contained here will help you treat and control head lice.

Catching head lice

Head lice have been around for many thousands of years. Anyone can get head lice.

Head lice are small, wingless, blood sucking insects. Their colour varies from whitish-brown to reddish-brown. Head lice only survive on humans. If isolated from the head they die very quickly (usually within 24 hours).

People get head lice from direct hair to hair contact with another person who has head lice. This can happen when people play, cuddle or work closely together.

Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl.

Finding head lice

Many lice do not cause an itch, so you have to **look carefully to find them**.

Head lice are found on the hair itself and move to the scalp to feed. They have six legs which end in a claw and they rarely fall from the head. Louse eggs (also called nits) are laid within 1.5 cm of the scalp and are firmly attached to the hair. They resemble dandruff, but can't be brushed off.

Lice can crawl and hide. The easiest and most effective way to find them is to follow these steps:

- Step 1** Comb any type of hair conditioner on to dry, brushed (detangled) hair. This stuns the lice and makes it difficult for them to grip the hair or crawl around.
- Step 2** Now comb sections of the hair with a fine tooth, head lice comb.
- Step 3** Wipe the conditioner from the comb onto a paper towel or tissue.
- Step 4** Look on the tissue and on the comb for lice and eggs.
- Step 5** Repeat the combing for every part of the head at least four or five times.

If lice or eggs are found, the hair should be treated.

If the person has been treated recently and you only find empty hatched eggs, you may not have to treat, as the empty eggs could be from a previous episode.

Treating head lice

Treating head lice involves removing lice and eggs from the hair. There are two ways you can do this:

1. Buying and using a head lice lotion or shampoo, following the instructions on the product
2. Using the conditioner and comb method (described under 'finding head lice') every second day until there have been no live lice found for ten days.

If you choose to use a head lice product always read and follow the instructions provided with the product carefully. The following points may also be helpful:

- Head lice products must be applied to all parts of the hair and scalp.
- No treatment kills all of the eggs so treatment must involve two applications, seven days apart. The first treatment kills all lice; the second treatment kills the lice that may have hatched from eggs not killed by the first treatment.
- Cover the person's eyes while the treatment is being applied. A towel is a good way to do this.
- If you are using a lotion, apply the product to dry hair.
- If you are using a shampoo, wet the hair, but use the least amount of water possible.
- Apply the treatment near the scalp, using an ordinary comb to cover the hair from root to tip. Repeat this several times until all the hair is covered.

There is no need to treat the whole family - unless they also have head lice.

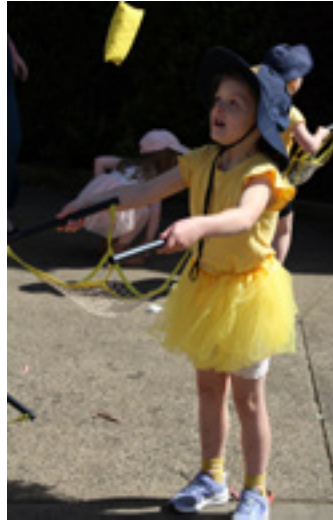

Concentrate on the head - there is no need to clean the house or the classroom.

Only the pillowcase requires washing - either wash it in hot water (at least 60°C) or dry it using a clothes dryer on the hot or warm setting.

Junior Sports Day

On Friday 2nd December the Junior School Sports were held in beautiful sunshine. The children in Foundation, Years One and Two participated in twelve different events including tunnel ball, long jump, egg and spoon race, skipping, sack race, relay race, hurdles and hoola hoop catch. Our wonderful Parent Club provided a healthy fruit snack for each grade which the students enjoyed in Marble Alley. The icy poles at the end of the sports were very much appreciated. Thank you to our WNPS families for coming along to cheer the children on. It certainly was a great day!

SEMESTER TWO REPORTS

Semester Two reports were uploaded to Compass this week. We endeavour to ensure these reports are grammatically accurate; however please feel free to contact the office if there are any corrections required.

School Costs 2023

The school costs for 2023 have been confirmed by the Warragul North Primary School Council.

The costs for 2023 will become active and appear on Compass prior to school commencing next year. Our preferred method of payment is via Compass.

Please contact the WNPS Office if you would like to arrange a payment plan to suit your individual family circumstances or if you have credit in your WNPS account that you would like to use to pay the 2023 school costs.

SCHOOL COSTS 2023:

The school costs for the 2023 year as set by School Council are as follows:

STUDENT SUPPLIES FOUNDATION - YEAR SIX STUDENTS \$285.00 PER STUDENT

To ensure all Warragul North Primary School students have the essential stationery supplies needed for the academic year our School Council makes a bulk purchase from reputable suppliers on behalf of parents. This ensures the student's supplies are purchased effectively and easily. The bulk purchase also means all students have access to the same supplies (e.g. reading diary, pencils, pens, rulers, paper, paint, glue, etc).

Included also are materials and equipment for our specialist subjects, Visual Arts, Performing Arts and Physical Education. On commencement, Foundation students will receive a Warragul North Primary School satchel, a whiteboard and a set of headphones.

Students are provided with an exciting variety of online platforms dependant on their year level. These platforms include myOn, Wushka, MathsOnline, Mathletics, Phonics Hero, Literacy Planet and Ed Alive. These are educational websites that the children will use at school and also be able to access at home.

GROUNDS MAINTENANCE DONATION FOUNDATION - YEAR SIX STUDENTS \$50.00 PER STUDENT

The School Community are pro-active in seeing the school's buildings and grounds properly maintained in order to provide the students and staff with a clean, tidy and safe learning environment. To assist in achieving this goal the School Council invites families to make a donation to the school, suggested amount of \$50.00 per student, but families are welcome to contribute any amount they choose. This will allow the school to maintain a high level of effective maintenance programs at the school.

The support from families through parent payment allows Warragul North Primary School to deliver a variety of subjects and educational experiences to all students.

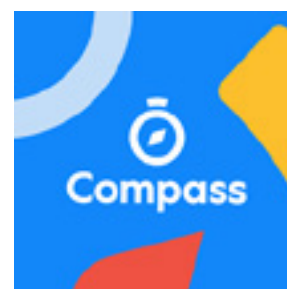

We thank all families for their ongoing support, making a huge difference to our school and what we are able to offer our students.

PAYMENT OF SCHOOL COSTS:

The school costs for 2023 will become active and appear on Compass prior to school commencing next year.

Our preferred method of payment is via Compass.

Please contact the WNPS Office if you would like to arrange a payment plan to suit your individual family circumstances.
